

# INFORMATION FOR FAMILIES TO LIMIT COVID-19 CONTAGION

## RETURN TO SCHOOL RULES

For the presence / attendance of the school for children and teenagers, parents or other adults it is necessary:

- Have no cough, sore throat, breathing problems and fever above  $37.5^{\circ}\text{C}$  and have not had these symptoms for up to three days before
- Not having been in quarantine or home isolation in the past 14 days;
- Not having been in contact with positive people in the past 14 days

## AT HOME, BEFORE GOING TO SCHOOL

- Check that your child has no sore throat or other signs of illness, such as cough, diarrhoea, headache, vomiting or muscle aches. If he is not in good health, he cannot go to school.
- Measure your fever every morning, if it is above  $37.5^{\circ}\text{C}$  the child cannot go to school!
- Give the school a list of people who can be contacted in case your child is not feeling well at school: names, surnames, landlines or cell phones, any further useful information to contact them quickly. An adult must always be available in case of need and be able to go to school immediately.
- It is forbidden to bring games or other material from home to school: explain it calmly to your child

- Explain to your child the things that have changed at school (teachers with masks and visors, fever measurements, parents who cannot enter the section....)

## **HYGIENIC BEHAVIOURS TO RESPECT AND TEACH**

- Use and teach the correct way to wash your hands and when to do it (immediately upon returning home, after coughing and sneezing, before and after eating, after using the bathroom). Explain that it is very important.
- Teaches never to drink directly from taps
- Teaches never to drink directly from taps.
- Teaches to throw away paper tissues after use.
- On Mondays, pack only school essentials and a supply of paper handkerchiefs in your backpack

## **THE RULES OF THE SCHOOL TO BE RESPECTED FOR THE GOOD OF ALL**

- The entrance time for all children is from 8.00 to 9.00. After 9.00 the gate will be closed and access will no longer be allowed (only delays due to medical examinations are allowed). Do not arrive at the school at the last minute because you may have to wait before you can enter.
- Children must be accompanied by **ONLY ONE** parent or adult who must wear the surgical mask for as long as it remains in the spaces provided.

- Carers and children must follow the indicated entry and exit routes and must be at least 1 meter away from others
- The accompanying persons will be able to stay only for the time strictly necessary and it WILL NOT BE POSSIBLE TO ACCESS THE SECTIONS for any reason.
- Before entering the school, both children and adults will be tested for fever: if one or both have a temperature equal to or above 37.5 ° C, the child will not be accepted and the adult will have to accompany them home, call the doctor and follow his instructions.
- After an absence due to illness of more than 3 days, your child can only return to school by presenting a doctor's certificate.

#### *Health problems in relation to the contagion*

*For special situations related to the health of your child / to contact the headmaster.*
